PRESS RELEASE
16 OCTOBER 2009

WINNING PARTNERS IN EVERY SENSE

Joining forces to pursue their millionaire dreams has paid off for 2 brothers-in-law from Sarawak. They jointly won RM10.8 million Mega Toto 6/52 jackpot through their winning numbers 9, 11, 24, 37, 47 & 52.

In fact, they also won extra RM19,800 from 6 sets of the second prize as they played System 7.

System 7, costing RM7, allows players to have 7 numbers to create 7 combinations of numbers and that means more winning chances as well as winning sums. From last year until now, 4 winners have won multi-million ringgit jackpot through System 7.

Telling that they were actually inspired by previous mega winnings, these 2 married men, in their 30s and 40s respectively, obtained their winning numbers from the ages of their family members. They also disclosed that they usually spend about RM30 in Toto games for every draw.

The older cousin told that he was utterly astonished to see lucky numbers they wagered on matched those published on the draw results in a daily. He immediately called his joint-venture cousin to verify. After feeling sure that they had indeed won a whopping RM10.8 million jackpot, they couldn't sleep a wink as they desperately wanted to claim their winnings from Sports Toto's headquarters in KL the following morning.

Partners in farming business, they hope to use part of their winnings to expand their business while using some to enhance their families' living conditions and of course keeping the remaining sum as savings for future use.

A spokesperson from Sports Toto Malaysia confirmed that only one ticket bearing the numbers 9, 11, 24, 37, 47 & 52 was drawn as the first prize of Mega Toto 6/52 on 11 October 2009, Sunday (Draw no. 3242/09) for a total winning sum of RM10.8 million.
