#### PERAKIAN WINS RM17 MILLION TOTO JACKPOT WITH FAMILY MEMBERS' AGE

A lucky winner from Perak won the RM17 million Power Toto 6/55 Jackpot on 18 August 2024 by only betting on his family members' age.

The 61-year-old winner, who works as a plantation estate worker, told STM Lottery Sdn. Bhd. that he has betting on the same set of winning numbers for many years without fail.

"These numbers were actually the age of my family members, some meaningful event had taken place during that time, and I purposely selected their age at that time and started betting on these numbers.

"I would buy all Lotto games which are the Star Toto 6/50, Power Toto 6/55 and Supreme Toto 6/58 for just RM4 per draw and just wait for my turn to win," he said.

The winner said he was shocked to see the results in the newspaper on Monday and he immediately called his wife and children to share the great news.

The winner said he has not planned on how to spend the winnings as he was still in disbelief that he is now a multi-millionaire.

His set of winning numbers – 6, 13, 16, 18, 20 & 36 won him a whopping RM17,032,531.15.
